Maths class for Parents

Mrs Smith and the Reception children invited parents in on Monday to a maths workshop to showcase resources that the children use in class.

Number Day Friday 14th Feb

We are taking part in Number Day on Friday 14th February. The children are encouraged to dress up as a Number, whether it's just wearing a t-shirt with a number on, being a human calculator, a Number-block, a human dart board or designing their own number t-shirt.

The day will be filled with lots of fun and exciting activities based around Numbers.

Young Voices

Our Choir will be taking part in Young Voices on 25th February, more info on the arrangements will be published nearer the time.

Children's Mental Health Week 3rd – 7th February

The theme for Children's Mental Health week is '**Know Yourself, Grow Yourself**' along with the use of resources from Inside Out 2.

We would like all children to take part in a **design a sticker competition** for the Worry Wizard Programme. Templates will be handed to the children this week and they will complete their designs in school. **Deadline Friday 7th February.**

On Wed 5th February, Russell Treasure will be in school and will spend time in each class focusing on mindfulness.

On Thu 6th February, The Wellbeing Warriors and Mrs Gorman will lead a whole school assembly for Children's Mental Health Week.

On Fri 7th February, we will have an own clothes day for a donation towards the charity 'Place2be' (Children's Mental Health Charity) and we will have a whole school film afternoon watching Inside Out 2.

Parking issues

Please note that there have been several concerns raised with the Police regarding car parking at the end of the school day.

Some cars have been parked fully on the pavement. This is classed as a hazard, as it restricts the view of vehicles leaving the main car park.

The Police and the Local Authority are monitoring this and will issue tickets.
