Dear Parent/Carer

Covid-19 Testing Survey – 2nd Test

As you are aware, Culcheth Primary have been invited to take part in an important study to monitor infection and transmission of coronavirus within schools. The first round of tests have been completed this week.

If you have not already registered and would like your child to take part in the next round of testing on **Monday 7th December**, you will need to register your child before midnight on Wednesday 2nd December.

There are three steps to register your child and you will need to create an account. Please go to the following link and follow the instructions below.

<https://www.oc-meridian.com/Desktop/Portal/signup?id=cisschools&referralcode=111180>

As a parent, please simply select 'No' to the initial questions asking if you are a student or member of staff and then fill in the remaining fields, providing consent as required. You will then receive 2 emails, one to validate your email address and one to confirm your registration. Please validate your email address by clicking on the link in the sign up validation email.

Then you will need to login to the system by entering your email address and password. Click on 'Child Registration Page' and register your child/children, providing consent as required. Your school code is: 111180

After registering your child/children, click on 'Home' and complete the enrolment survey for each child. This is a 3 stage process.

Registration closes at midnight on Wednesday 2nd December. If you have previously registered and your child was included in the first batch of testing, you do not need to re-register as your child will automatically be included in further tests.

If you have any questions regarding the study, please telephone IQVIA on 0800 917 9679 or email them at schoolinfectionsurvey@nhs.net.

Regards

A Dodd
Headteacher
