

## Electronic Learning

Reading Plus

My Maths

Google classroom - [mn4o6g](#) (app or browser)

Maths Whizz

TT Rockstars

LBQ

All logins should be in Reading Diaries, if not please DoJo me and I can send these

## Maths

Complete Maths Whizz as much as is possible. I have reset the logins so the children can carry out the assessment again (this makes sure that the level they are working on is appropriate for them). Children are expected to complete at least **30 minutes** of Maths Whizz each day.

Daily Challenges - I will put a few challenges on the for the children to complete. These are designed to challenge the children so they may need a little help.

## LBQ:

As LBQ lessons time out and are only available for a limited amount of time, I will post on Class Dojo when the tasks will be going live for the children to complete.

# YEAR 6 HOME LEARNING

Dear Parents,

Here are the suggested ideas for home learning. It is suggested that all children complete these activities whilst the children are working from home.

**The expectation is that children complete:**

**30 minutes of Maths Whizz/TT Rockstars/LBQ/My Maths**

**30 minutes/2 stories from Reading Plus/Oxford Reading Buddies/Comprehension activity**

**Completion of daily English activity - sometimes linked to topic**

**And after, a topic based activity e.g. Art/DT/History/Science/French etc**

The idea of the mixture of tasks is to give the children work that is electronic and practical. Feel free to create your own - taking this opportunity to get creative (Lego, cake making, filming etc!).

The children will benefit from routine and therefore we would recommend making a timetable, which includes the expectations above whilst also including time for exercise, play and creativity.

If you have any questions, message me on the Class Dojo.

Thanks for your continued support,

Miss Knowles ☺

## English

I will endeavour to give the children a daily task of writing. I will set this using either Class Dojo or Google Classroom (depending on the tasks).

Some tasks may be:

-Writing a short story

-Writing a letter

-Non-chronological reports

-Poetry

-Writing a diary entry

There are also some really great activities using

<http://www.pobble365.com>. Simply, click on the link and complete the different activities.

The spelling lists for Y6 are in their Reading Diaries, a great activity would be learning the spellings and definitions. Try and put them into sentences and checking they are in the correct context! I will also post the spellings on Dojo, if the diaries are missing!

<https://kids.classroomsecrets.co.uk/>

## Reading

Please read every day, **at least 2 stories**, above 80%, on Reading Plus, each day. You can also use Oxford Reading Buddy, the Newsround website or just a book! I will also be posting comprehensions once a week as a focus text via Google Classroom.

## Topic

We have been looking at World War 2 recently in history. I will post a few small projects each week for you to focus on. Similarly, with Science and French.

**Please share their work!** I would love to see the children's work, so please Dojo me pictures and examples of what they have been up to!
