Where Learning is Fun!

Headteacher
Mrs A Dodd BSc (Hons) NPQH

Thursday 21st December 2017

Dear Parents,

All of the teachers have worked together to create lists of books for the children to read across the different key stages in school. There are 50 books for each of the 3 stages (Reception and Key Stage 1, Year 3 and 4 and Year 5 and 6). You will find the book lists attached to this email.

The children may borrow books from our class libraries, they may have copies of some of the books at home and many of the books can be also borrowed from Culcheth library.

We will have displays in school for the children to add stickers to when they have read the books. These displays will then act as a record to see if any of the children have completed the 50 book challenge and it will also show other children in the school which books have been enjoyed and would be recommended to others.

We hope that through completing this challenge, the children will enjoy reading different books and will become even better readers.

We hope that you find the lists useful. Please feel free to contact me with any questions.

Thank you for your ongoing support,

Mrs Gorman
English leader
