A Book on a Page

We are starting the new school year with a new reading initiative called 'A Book on a Page'. Each class have been given their own special book to use throughout this school year.

When it is your child's turn to bring this special book home, please can they use the next clean page to draw or write about a book that they are reading or that they have already read which they really enjoyed?

We would love to see pictures, patterns and lots of colours on their page. We would also love to see some writing on their page if possible, for example, they could write about their favourite character, their favourite part of the book or whether they would recommend the book to others. Your child will need to write their name somewhere on the page too so that we know the page belongs to them.

When it is time for your child to bring the book back to school, they will be given the opportunity to share their page with their teacher and all of the children in their class.

This information will also be stuck on the inside cover of the book along with the days that the book will be given out and will need to be returned to school.

Thank you for your support,

Mrs Gorman and the Ten Bookateers.
