

## Electronic Learning

Maths Whizz

My Maths

Lexia (some children)

Reading Plus

Oxford Reading Buddy

TT Rockstars

Google Classroom (App or Browser)

Maths Children are expected to completed at least 30mins of maths a day.

Please choose one maths activity daily.

Maths Whizz, IDL maths, TT Rockstars, Paper maths homework  
My Maths.

Daily Challenges: I will add a daily challenge on class dojo or Google classroom.

# YEAR 5 HOME LEARNING

Dear Parents,

Here are the suggested activities for Home Learning. It is suggested that the children complete these activities whilst school remains closed.

The expectation is that all children complete 30Mins maths, 2 stories from Reading Plus, Completion of a writing task sometimes linked to Topic.

And often a Topic based activity eg science, DT/Geography/Science. In addition,

The idea of the mixture of tasks is to give the children work that is electronic and practical. Feel free to create your own - taking this opportunity to get creative (Lego, cake making, filming etc!).

The children will benefit from routine so therefore we would suggest that you make a timetable with the children which would include one maths, one reading, one English whilst including time to include exercise, outdoor play and creativity.

If you have any questions, message me on the Class Dojo.  
Thanks for your continued support.

Mrs Kenny ©

## English

I will endeavour to give the children a daily task for writing. I will set this using either Class Dojo or Google Classroom (depending on the tasks).

Other tasks that the children could complete are:

- Writing a diary (from the point of view of different characters in books);
- Writing letters to different people;
- Writing instructions to do different things;
- Writing reports on different topics that they find out;

There are also some really great activities using <http://www.pobble365.com>. Simply, click on the link and complete the different activities.

The spelling lists for Year 5 are in their reading diaries, a great activity would be to try and put them in a sentence. They can learn spellings and check meanings.

## Useful Websites:

BBCBitesize <https://www.bbc.co.uk/bitesize>

Gary Hall Maths support.

<https://garyhall.org.uk/primary-maths-resources>

<https://www.literacyshed.com/home.html> for writing support

<https://kids.classroomsecrets.co.uk/> variety of resources

Reading Children are expected to complete two stories at 80%.

Please choose one reading activity to do daily.

I will put one reading comprehension onto Google classroom weekly.

Reading Plus, Oxford Reading Buddies.

Newsround website or just a book

## Topic project

Can the children complete an ongoing project about North America.. This will be posted in class dojo.

There will be other topic activities posted onto Google classroom.

## Share your Work!

Please share your child's work with me on Class Dojo.

All logins should be in your child's reading diaries
