

CULCHETH COMMUNITY

PRIMARY SCHOOL

Friday 3rd October 2025

The first of our class assemblies has taken place this week and it was fantastic! Our Year 6 have explained to their parents what they have learnt about so far this year in their different subjects. Across the year we have scheduled a class assembly for each class so all parents can be invited in to share their children's learning. Next week the first of our school trips are starting and as a staff we have been looking at our school trip offering. It is so important that for the children's personal development, we give them as many opportunities as we can. This has included extending our residential offer and giving the children every chance to to enjoy their learning experience with us.

Have a lovely weekend!

We will be collecting donations from next week. These can be handed to your child's class teacher or placed in the box at the school office. ATTENDANCE

I’d like to remind parents of the importance of attendance and the impact it has on schooling. Our attendance has been excellent since we started back. Holidays in term time cannot be authorised unless it for fills the criteria in the Attendance policy. Please keep this in mind when considering any holiday booking. Even being 5 minutes late each day across a year equates to 15 hours lost learning.

Whole School Attendance target for 2025-2026 is
96%

Attendance since 3rd September = 97.2%

Attendance this week = 95.2%
